

FEATURING ADVANCED YEARBOOK TECHNOLOGY

hp REVEAL AUGMENTED REALITY

What can I use HP Reveal for?

Augmented reality allows trigger images to generate photos and videos that literally pop off the page!

The photo above is a trigger! To View:

1. Download the HP Reveal app for free on your mobile device
2. Search and Follow the account **SmoothandEntourage**
3. Scan the image above to see a 3D cover preview video

QR CODE INTEGRATION

What can I link my QR code to?

- School social media pages
 - Online yearbook/fundraising store
 - YouTube or Entourage Link videos of events from the school year
 - Online photo galleries
- (If it has a URL, you can link it!)
